## HOLIDAY GREETINGS!

The Victoria PAGA sends all of you wishes for a Happy, Healthy and safe Christmas Holiday Season.

We are in the hustle and bustle of Christmas shopping with much still to be done. Now that our children and grandchildren have given us their wish lists, we only have ten (10) days left to shop. That's the typical sentiment shared by most of us.

After all the work is done, let's enjoy the time with our families and friends.

With all the parties coming up, let's try to enjoy them but at the same time, try to stay healthy and safe. If you overindulge in your drinking, please do not drive!

Call a member of your family or a friend to pick you up.

Like the signs read: YOU CANNOT AFFORD A DWI!

Let's plan on a better 2009.

We are all looking towards improving our game for the Corpus Christi National Convention and Tournament in July!!!

**REMINDER:** You have to have 10 scores to be able to attend the National.

There are several members that do not have ANY scores posted. YOU NEED TO PLAY IN THE MONTHLY OUTINGS!!

Newsletter Date:

December 15, 2008
