WHOSE GOING TO THE NATIONAL? Hector and Genaro received entries from 27 adults and one junior.

President Noe Guerrero of the Corpus Chapter said although they set May 27th as the deadline, they will still be taking entries. However, those late entries will be accept **ONLY IF THERE IS ROOM FOR THEM AT THE RESPECTIVE GOLF COURSES.** The example he gave: If a golfer with a 5 handicap signs up late, they will look at Newport Dunes Golf Course to see if there is room for a 5 handicapper. If there is room, he will play, if there is none, he won't. That same system will apply to all late entrants who have various handicaps and will be assigned to other courses.

They set the May 27th deadline because the golf courses wanted their money and they needed to do the pairings at the various courses.
