

# VICTORIA PAGA NOVEMBER NEWSLETTER

- *Holiday Greeting to All of You,*
- *It's that time of the year again, when we are all gearing up for the season. It does not seem possible that another Thanksgiving and Christmas are upon us and having to hustle and bustle with gift buying and decorating. Most importantly, however, is staying healthy and safe during the last few days of 2009.*

- **LOCAL CHAPTER NEWS:**

- *We have some very exciting news for all of you. Raymond and Viola Saenz and Genaro Cortez were invited to a UHV luncheon regarding their golf program to begin in 2010. Homero Blancas, golf professional from Houston, Texas, was the keynote speaker, along with two others.*
- *Claud Jacobs, a community leader, spoke about the scholarship endowment and how we could all play a huge part in this most important community involvement.*
- *At our last meeting, on November 11, the officers and board members voted to do a \$10,000 golf endowment at the UHV which will always have our name for many years to come and our organization will be the first to make that commitment. What's even more outstanding about our contribution, is that Mr. Jacobs will match that amount which will double to \$20,000.00!!!*
- *They will host a yearly luncheon at which time we will meet with the recipient/s and form a friendship with them. They in turn get to meet the people that made the generous contribution and who played a huge part in their lives so they could get their education at the UHV.*
- *Mr. Homero Blancas spoke eloquently about his family's poor background and how he was able to get a college education at the University of Houston, Houston, Texas, because of the scholarship program. They had two other speakers that gave you goose bumps as well.*
- *Next time you see the officers and board members, please compliment them on making that important decision as it will give PAGA of Victoria lots of notoriety in the community.*
